Our next review will be of: Machete. This is a 2010 film that grew from a "trailer" included in Grindhouse, [salve](#) a "double feature" by Quentin Tarantino and Robert Rodriguez. It is styled after the 70s b-movie revenge thrillers that were so popular in that timeframe.

The movie stars Danny Trejo, [health](#) Jeff Fahey, Robert De Niro, and Steven Seagal to name a few.

The full review will be available this weekend. Until then, please enjoy the Machete trailer. (Caution, language and partial nudity, so probably NSFW).
