“By day, nurse Abby Russell (Paz de la Huerta) lovingly attends to the patients at All Saints Memorial Hospital; by night, Abby prowls nightclubs, luring unfaithful men into dangerous liaisons. After Danni, a young, sensitive nurse, joins the hospital staff, Abby pursues her friendship. But when the friendship turns to obsession, Danni spurns Abby, unleashing Abby’s fury and a rampage of terror.”

Yeah, Paz de la Huerta is in this, so you know there's going to be plenty of nudity, and plenty of crazy. If there's one thing that girl knows, it's crazy. (In her movies, of course.)

This looks pretty wacky. If I watch it, it'll be via streaming, I wouldn't go to the theater for it. However, I'm betting it'll be right up some of you sick bastards alleys.

I look high and low, and could not find a red band version for the pervs among us, so the green band trailer will have to do.
