From time to time I come across great values on DVD's and movie box sets, and I'll definitely be sharing these with you.

The box set I want to point out to you today is "The Pink Panther Ultimate Collection. It's currently \$34.99 on Amazon.com. I bought a copy just now, and will be doing an in-depth review of the set upon receipt. *(UPDATE: Looks like the price went back up. The cheapest available is \$59.99. Current pricing will show in the Amazon box at the end of this article. Hope you were able to grab it while the price was low...)*

If for some ridiculous reason you aren't familiar with the Pink Panther series of films from the 60s and 70s this collection will bring you up to speed. It contains all of the live action Pink Panther films starring Peter Sellers as Inspector Clouseau, the bumbling french policeman who somehow always gets his man (or woman) no matter how much damage he has to create, or abuse he has to take. It also includes a large selection of the famous Pink Panther animated episodes from Saturday morning television. For some reason they also included the 2006 Steve Martin version. Why? I'll never know.

The DVD set includes:

- Disc 1: The Pink Panther Collector's Edition '64 Feature Film
- Disc 2: A Shot in The Dark Feature Film
- Disc 3: Inspector Clouseau
- Disc 4: The Pink Panther Strikes Again Feature Film
- Disc 5: Revenge of The Pink Panther Feature Film
- Disc 6: Trail of The Pink Panther Feature Film
- Disc 7: Curse of The Pink Panther Feature Film
- Disc 8: Son of The Pink Panther Feature Film
- Disc 9: Pink Panther 2006 (SONY)
- Disc 10: The Pink Panther Cartoon Collection Volume 1
- Disc 11: The Pink Panther Cartoon Collection Volume 2
- Disc 12: The Pink Panther Cartoon Collection Volume 3
- Disc 13: The Pink Panther Cartoon Collection Volume 4
